

Alexandros Fortsas | Text Transcript | CSAHS Award Recognition 2020

Hello Dr. Sheldrick. My name is Alexandros Fortsas. I'm a fourth year Criminal Justice and Public Policy student and I'm hoping to go on to law school after finishing my undergrad degree here at Guelph. Being named the recipient of the Byron Sheldrick Scholarship in Law and Politics is a tremendous honour.

So, while I'd much prefer to be shaking your hand in expression of my gratitude and appreciation, I wanted you to know how rewarding and how motivating it is to have my hard work here at Guelph acknowledged.

Being passionate about studying the subjects of law and politics that I am and being inquisitive about them has really helped me learn more and really helped me aim my future aspirations and what I may want to do in the future. I'd like to thank you again for this tremendous opportunity and I'm sure to go on in the future to always learn more and better myself.
