

## Grace Hiltz | Text Transcript | CSAHS Award Recognition 2020

---

Hi, my name is Grace Hiltz and I'm this year's recipient of the Jean Carter Memorial Gerontology Scholarship. I would first like to thank the Carter Family for giving me this opportunity to help further my career via these funds. It is so wonderful of you to continue to sponsor this scholarship and I thank you from the bottom of my heart.

I'm in my fourth year at the University of Guelph studying Adult Development and after school I'm hoping to get my master's in Occupational Therapy and after that I'm planning on going back and entering the Gerontology field again and working with the vulnerable sectors. Thank you again from the bottom of my heart. I hope you are all staying safe and healthy during this time.
