

## Zainab Ijaz | Text Transcript | CSAHS Award Recognition 2020

---

Hello, my name is Zainab Ijaz and I'm currently a third year student in the program of Applied Human Nutrition here at Guelph.

I'm absolutely thrilled and honored to have received this award of the Class of MAC '62 Scholarship. It really means so much to me.

Being the eldest sibling of two college going students has been a tough financial journey for me, but with the help of this award I am one step closer to achieving my dreams and goals of being an aspiring dietitian one day.

Moreover, it has shown me that nothing is impossible to achieve and has motivated me to work even harder in order to achieve my dreams and goals.

My sincere gratitude to the Class of MAC '62. I am extremely honored and thankful to be chosen for this prestigious award, so thank you so much for your kindness and generosity.
