

## Brooklyn Kuepfer | Text Transcript | CSAHS Award Recognition 2020

---

Hi, my name is Brooklyn and I am a Master's student at the University of Guelph in the Applied Human Nutrition program. I came straight out of my undergrad of Applied Human Nutrition at Guelph and actually just finished my first week of the Master's program.

So far, it has been such an amazing experience. I am just so thankful for your financial contribution to be able to help me out that way throughout my program.

I'm really excited to keep learning in this next year as I keep going toward my goal of becoming a registered dietitian and I just want to thank you for your support in my education journey.
