

## Natasha Roskosch | Text Transcript | CSAHS Award Recognition 2020

---

Hi Dr. Lero, my name is Natasha Roskosch. I'm in my fourth year of studies in the University of Guelph majoring in Adult Development and minoring in Psychology. I received the Donna Lero Scholarship in Family Services.

It's impacted my life so much here at the University of Guelph, not only financially, but I feel like my hard work has been recognized and that gives me the push I need to apply to master's schools. I aspire to be a speech pathologist, so I'll be applying this semester. Thank you so much for this, it really means a lot.
